VOTE -for its a Privilege! 80% of the World Can't Vote !

Those who would denounce the importance of a single vote, please read:

A SINGLE VOTE has proved many times to be the most potent gun in the arsenal of political weapons. Any single vote might be the deciding one, for every vote counts. Each single vote has the power to shape the world's future. Consider these examples:

Oliver Cromwell was elected to Parliament by ONE VOTE and changed the history of England.

ONE VOTE made France a Republic in 1875, and one ended it in 1940.

ONE MAN cast the deciding vote in a German beer hall—A VOTE which set the world on fire. His name was Adolph Hitler.

Rutherford B. Hayes was elected President by ONE ELECTORAL VOTE in 1876.

In each instance, it was just ONE VOTE that made California, Idaho, Oregon, Texas and Washington a State.

In the 1840's, Edward A. Hannegan was elected to the U. S. Senate from Indiana by ONE VOTE. When statehood for Texas came for a vote, Senator Hannegan broke the tie by casting a SINGLE EBALLOT. This action led to the Mexican War, an incident that helped shape the entire future of this country.

And recently in Minnesota, two candidates for Mayor were defeated, each by a SINGLE VOTE — and ONE OF THE CANDIDATES HIMSELF HAD FAILED TO VOTE

CLARENCE J. ASPEY

80 Years Young

For near 70 years, boy and man, Clarence J. Aspey has courted the vicissitudes of type and ink in the printing business.

His eightieth birthday Friday, Oct. 22, finds him still associated in the printing business though there is less metal type and ink for he is Superintendent Emeritus of the production

end of the Belle Glade Publishers.

His fellow-workers, most of whom have been together fifteen and more years, remembered his eightieth birthday with a gift, a rousing "happy birthday" and congratulations.

His happiness near brought tear-drops, as may be seen in this photo of him.

Forty Beds Added In Old Hospital

The old hospital building to be known as the Memorial Wing, is being converted into rooms for forty dining, sprinkler system and toilet facilities, air conditioning, sprayer system, patient bedside conveniences, and other complementary appointments common to the modern hospital.

A Doctors' conference room, a class room for neophytes of the nursing profession and a new nurses station are included in the reworking of the old building.

Sprinklers are being installed UNDER the floor and ABOVE the ceilings; outside side-walls are being paneled to eliminate the dampness; other walls are being covered with vinyl; each patient will have available a clothes closet.

There will be five private rooms with private baths and one with toilet facilities — 6 in all.

Two isolation rooms are included; seven rooms of two-bed capacity, two of four-bed capacity, and four of three-bed capacity will be available when the project is finished.

All baths and toilets wall are of tile; the existing rubber and vinyl tile floors will be brought to life by proper treatment when the workmen are finished.

Each room will be air-conditioned.

The Glades General Hospital will have 115 beds and offer first class hospital service when active plans are completed.

The east wing — receiving room, waiting operation rooms and facilities — is not in present plans.

The total cost of present work is estimated at approximately \$40,000 — \$1,500 per bed, compared to \$18 to \$20,000 per bed for ANY new hospital construction.

Improvements and change over with provisions for 50 additional beds, and to include the east wing are in keeping with the figure of under \$3,000 per bed suggested by THE HERALD, during the big debate hospital-wise a couple years ago.

The suggestions of THE HERALD included a new concrete floor throughout and replacement of all windows with standard awning type, because of recommendations by State and Federal Health authorities.

Roe Steele, general contractor on the job reports that all timbers are sound, with no indication of termites, dry or wet rot, except under some of the bath room facilities.

Ten additional beds could be provided in the east wing if the Board does not find another use more equitable to the overall objectives.

There are 134 employees on the payroll of the hospital; twenty three nurses and two part-time nurses are on the roster, with thirty aides on the list.

L to R — County Superintendent Bob Fulton, Representative Emmett Roberts and School Board Member James Williams.

128 Donors Ready To-day

A hundred twenty eight donors specified by name, with a reserve of 30 inmates of the Glades Correctional Institute, are scheduled for the Palm Beach Blood Bank mobile unit at the Civic Center Thursday where blood will be taken for 24-year-old Chuck Rimes, a hemophilia victim.

Mrs. Marie Causey, Chairman of the BPW-Committee announces that: Peggy Shoemaker, medical technician, and four nurses Mrs. Sam Crissman, Mrs. J. Allen Baker, Mrs. Melville Sheahan and Mrs. Abbie Zumpf will be on duty or on call during the day.

Members of the BPW and Iota Epsilon Sorority will be on duty to serve refreshments to donors, as well as lunch for the Mobile Unit workers.

Among groups volunteering are the fire and police departments and other city employees, telephone and power company employees, Meritt Rotary and the Jaycees.

Mrs. Bonnie Olden, Chuck's mother has requested to be the first donor.

The Committee of ladies have coordinated the desire of the community with existing facilities to insure a substantial supply of blood for Chuck, not only to replace the 33 pints already used, but for the immediate future.

Voting Issues Discussed At C of C Coffee

Under the sponsorship of the Belle Glade Chamber of Commerce, and with the MC office held by President Dr. Thos. Baker, a group of citizens attended a 7 a. m. coffee Tuesday morning at the Civic Center to hear discussions on the amendments and proposals on which the public is able to vote.

Mr. A. R. Harrington, School Trustee from Pahokee gave the pros and cons on the question of abolishing the office which he has held for twelve years.

Mr. Roberts touched on the several amendments, not including the schools.

Mr. Williams and Superintendent Fulton explained the issues regarding our schools. There was a question and answer session following each discussion.

Civitan Club Conducting Glades Survey

The Belle Glade Civitan Club has instituted a survey in the Glades area of Palm Beach County to determine the need for the establishment of an habilitation center.

The center would provide new workshop services employing the retarded and physically handicapped of the area, should results of the survey indicate its need.

Did They Get You? Call The Market!

Earmarked for many swindler projects during "the season" in past years, Belle Glade is now recognized as a year-round field for clandestine gapes.

Glades Livestock Market reports a July operation here when two young women — one in her early twenties, another "30 or so" — unofficially solicited painted billboard signs for the market. Three sales at \$47.50 each are reported so far. In two instances,

checks were made payable to Livestock Sales Advertising, and cashed by the solicitors. Another advertiser sent his check into the Market, and a refund will be made to him, the Market manager reported.

The activities came to light when the paid-up customers made inquiry as to why their signs had not been painted and erected at the market.

Market Manager Pete Clemens is asking that any

one else who was taken in by these operators, please call the Market. More information is needed by the Sheriff's department to trace down the "ladies".

As the season goes into full swing, more and more slick visitors will be coming into the Glades. Remember, it's well to check with your local business firms or with your Chamber of Commerce, before paying out money to strangers, or signing on the dotted line.

THE GREATEST THING SINCE SLICED BREAD. Robertson.

The blurb calls this a "marvelously nostalgic novel." You may find it just plain marvelous.

Morris Bird III was in Grade 4-A, in 1944. The square virtues were terribly important to him — Love, Courage, and Self-respect. These, and the natural gas explosions in Cleveland, that year, form the basis of the story. A man he met, with no legs, called the way he behaved "the greatest thing since sliced bread."

AMERICANS IN SPACE.

American Heritage.

A well illustrated book, which takes a young person back into the early years of the space program, with its own antique mechanisms, and its antique phrases, too, like "A-O-K!" it brings them "up-to-date," 1965.

Sunday guests recently

of Mr. and Mrs. J. A. Harrell were their son-in-law and daughter, Mr. and Mrs. F. Tod and daughter of St. Cloud, who also visited other members of the family, Mr. and Mrs. Marvin Harrell of Belle Glade and Mr. and Mrs. Hurley Harrell of South Bay.

Attending the wedding of Miss Jane Kirchman on Saturday in Columbus, Ga. from Belle Glade, were Mrs. Ruth Kirchman and Archie, Mr. and Mrs. Ronnie Kirchman and baby, and Mrs. Spence Whitlock.

Mr. and Mrs. Guy D. Wood and Rosanne spent the weekend in Jacksonville with Mr. Wood's parents, Mr. and Mrs. Guy D. Wood, Sr., and also Mr. Wood's uncle, who was there from California.

The Paul Gressinger and Robert Gressinger families have returned here from Hartsville, Ohio, where they spent the summer during their produce season.

THE MAN WITH THE GOLDEN GUN. Fleming.

A must, if you like James Bond, this is the last book which its late author wrote. Bond meets his adversary, Scaramanga, master of destruction, on the sunlit island of Jamaica.

THE GOLDEN BOOK ON WRITING. Lambuth, and others.

A small book, (81 pages) written some years ago by an English professor with a passion for precision of expression, it was purchased of 1964 vintage, by Budd Schulberg, and a section on business writing by Walter O'Meara. Now made available to the general public, (Dartmouth published a single edition in 1923) it is a useful book, worthy of its title. It was purchased from donations by Civitan.

THE HONEY BADGER. Ruark.

The author of UHURU wrote adventure stories, based in the jungles of Africa and India. This is based in the jungle of contemporary American civilization, on a successful American male. He bears scars from leopards, shrapnel, and half a dozen women, two of whom he marries.

THE HUMAN MIND. Menninger.

This is a 1964 edition of the study of the nature, functioning, and ailments of the human mind which has been accepted as an excellent presentation of the subject for laymen, as well as the best introduction to the general subject for medical students.

Party Honors Randy S. Davis

Randy Susan Davis celebrated her 12th birthday at the shelter in McDonald City Park last Saturday night from 8 to 12 p. m. Twenty guests were present to help Randy celebrate. They played games and danced during the evening.

Birthday cake, punch and sandwiches were served.

The honoree received many lovely gifts. Assisting Randy's mother, Mrs. Veneal Davis for the event were Mrs. Alice Cowart and Mrs. Joan Albritton.

Progressive Dinner Enjoyed

The highlight of the month of October for members of Iota Epsilon Chapter of Beta Sigma Phi Sorority was a Progressive Dinner held on Saturday night, October 23.

The evening began at 7:30 with Mr. and Mrs. Billy Cowart serving hors d'oeuvres. Candlelight was used throughout the rooms, giving the eerie effect of Halloween, even down to the "Witches Brew" served from an authentic black kettle.

Mr. and Mrs. Michael Wilson entertained later with a Buffet of turkey, ham and all the trimmings. In keeping with the Halloween theme, guests were warned by skeletons and crossbones over the Buffet table, to "Beware of Poison!"

Dessert and dancing followed at the home of Mr. and Mrs. Terry Kirchman. The house was beautifully decorated with fall arrangements in the Halloween motif.

Members and their husbands attending were Mr. and Mrs. John O'Connor, Mr. and Mrs. Buck Jones, Mr. and Mrs. Roger Walker, Mr. and Mrs. Paul Peters, Mr. and Mrs. James Chamblie, Mr. and Mrs. Pettie Kirchman, Mr. and Mrs. Gordon Con, Mr. & Mrs. Jerry McKee and Miss Janet Ludlow and Dick Poston and Mr. and Mrs. Eddie Jones.

Church Of Nazarene To Conduct Revival

Revival services will begin at the Church of the Nazarene, 16 N. W. Ave. D, Wednesday, November 3. Dr. Otto Stucki is enroute as the evangelist and Mr. and Mrs. Paul E. Meredith of Miami will have charge of the musical program.

Rev. Stucki was formerly the District Superintendent of the Mississippi District of the Church of the Nazarene. He is now the South Carolina District Superintendent and secretary of the board of trustees at Trevecca Nazarene College in Nashville, Tennessee. Prior to his election to the office of district superintendent, he was a pastor in Tuscaloosa, Alabama.

DR. OTTO STUCKI
... Evangelist

Mr. Meredith is an excellent tenor soloist and Mrs. Meredith a fine pianist. He is a druggist by profession and his wife is employed as a guidance director in the Dade County School System.

Two Sundays ago the attendance reached its highest point since Rev. Smith became the pastor five years ago. The following Sunday

a new record, was set. "This Sunday we hope to break all previous records," Rev. Smith said. "The last revival was the best in the history of the church and we are praying for and expecting an even better one this time," he added.

The public is invited.

PERSONAL Call

These days, our minds are as busy as switchboards! There are so many things to think about, at work, at school, at home. Even our leisure hours often require a lot of mental activity... and peace of mind seems very far away.

Yet peace of mind is possible for us all, when we turn to God for relief from the tensions of modern living. He is fully aware of all our problems and difficulties, and He is always ready to lead us to a greater serenity of spirit than we have ever known.

That is why, when we take a little time from our busy lives to attend church, we leave feeling refreshed and strengthened. We have shared in His divine gift of peace.

This Sunday, God's call to a new and certain way of meeting the pressures of life is a personal call... for you.

Belle Rebakahs Plan Supper

Belle Rebekah Lodge No. 21 held its regular meeting Tuesday, October 19th at 8:00 p. m., at the Civic Center. Noble Grand Dorothy Rogers presided.

The group was happy to welcome back by reinstatement Loraine Webster, and also happy to announce that there are several applications waiting to take the degree.

Mrs. Ethel Imes announced that the Hospital Gowns, which were made by several of the members, along with the waste baskets are ready to be sent to the Old Folks Home in Gainesville, Florida.

Plans are being made for a pot luck supper at the next meeting to get acquainted with the new members and to welcome back old ones.

Members were reminded of the rummage sale to be held on November 13th. For further information regarding this rummage sale call Mrs. Rogers or Mrs. Ruth Mock.

Mrs. Rogers said, "We miss our members when they are unable to attend, and so our sick and shut-in we pray and wish for you a speedy recovery."

At the close of the meeting, Pumpkin pie and coffee was served by Myrtle Howard and Alice Neims and enjoyed by all.

We cannot be always right. We're human. If we make no mistakes, it is because we are doing nothing. If we make mistakes in day-to-day living, the thing to do is to admit them, to profit by them, and then turn to new things.

When we recognize our errors and our follies, we are doing right, we are "right" with ourselves, and with the world about us. We are, too, more ready to understand and to make allowances for the mistakes of others.

Lutherans Set Reformation Day Service Oct. 31

St. Peter's Lutheran Church of Belle Glade will conduct a special Reformation Day service, Sunday, October 31st, at 4:00 p. m. At this time, thanks to God will be given for preserving the three Reformation principles: SOLA SCRIPTURA (Scripture alone), SOLA GRATIA (grace alone), and SOLA FIDES (faith alone).

On October 31, 1517, Martin Luther posted 95 theses on the Castle Church door in Wittenburg, Germany, announcing that he would debate any theologian on any or all theses. This was the accepted way of announcing a discussion of debatable issues. However, from this common, ordinary, debate announcement grew to what is now known as the Protestant Reformation.

To commemorate the anniversary of the founding of the Reformation, and the

Scouts Of Troop 601 Enjoy Fisheating Creek Campout

Sixteen members of Boy Scout Troop 601, sponsored by the Episcopal Church, left Belle Glade early Saturday morning prepared for an exciting weekend campout at Fisheating Creek. Although there was some anxiety about the weather before hand, the weekend turned out to be bright and sunny with a comfortable breeze prevailing; however a bit damp underfoot in certain areas.

The boys worked eagerly to pass the requirements for their scout ranks. A water safety demonstration and instructions were given by Scoutmaster Bill Dean, following which all Scouts enjoyed a general swim.

A number of the Scouts located and identified fifteen wild edible plants, under the direction of Reginald Lewis.

Dick Shoemaker and Brian Moore gave the boys

a demonstration on trail- ing. The Scouts were instructed in first aid by Paul White.

An axe and knife demonstration as well as a demonstration on how to treat a snake bite victim were given by Brian Moore.

The highlight of the trip took place at the Saturday night campfire when Chip- py Haines, Ricky Shoemaker, Jamie Stevenson, Bryen Cross, Arthur and Bruce Walls were received into Boy Scouting in a simple investiture ceremony. This was a big moment for these young scouts at which time they dedicated themselves to the Scout Oath and Laws at an impressive ceremony before their troop, following which they were awarded Tenderfoot Badges.

Other Scouts in attendance were: Ricky Roth, Gerald Pisman, Robert Matthews, Dickie Snow, Paul

Belle Glade Marchettes attended the Boat-A-Cade Open National Baton Contest in Kissimmee recently accompanied by their director, Mrs. Rheta Cunningham and a group of mothers.

The community was well represented with the Marchette All-Stars Junior teams and the "Lil' Darlins' Juvenile team winning a first and second place trophy.

In individual competition, trophies and medals were won by Tina Lockhart first place in Two Baton, 3rd place in Military Strut and 3rd place solo, Rene Jo Lane placed third in Military Strut, Celia Battle placed third in Intermediate solo and Letricia Goforth placed 4th in beginning solo.

The girls are looking forward to a full year of twirling competition in different contests held over the state. They will perform in the pre-game activities on November 12, at 7:30 p. m. on the local football field when Belle Glade Rams meet Stuart.

Chaperoning the Marchettes on the trip to Kissimmee were Mrs. Mylene Lockhart, Mrs. Marie Battle, Mrs. Barbara Busbin, Mrs. Carolyn Priest, Mrs. Rheta

Cunningham, Mrs. Frances Fussell, Mrs. Wilena Hooks, Mrs. Faye Motes, Mrs. Jean Lane and Mrs. Janice Goforth.

Rams Down Leonard

The Belle Glade J. V.'s outscored John I. Leonard for their first victory of the season last Thursday.

The Ram's winning tally came in the second quarter with Gerald Watson blasting through the center of Leonard's line for a 30 yd. T. D. The point after was no good.

Leonard came back strong in the second half, but the Ram's defense held. Leonard remained deep in their own territory most of the night. Outstanding players for the Ram's were back, Harry Hutto and lineman, "Golden Boy" Kirchman.

Mosquitoes

There are over 3,000 species of mosquitoes, of which only a few are known carriers of diseases such as malaria, yellow fever and encephalitis. Fortunately the cules pipiens, better known as the "rain barrel" of "house" mosquito — the variety that causes most of our problems in the United States — is not a carrier.

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this '66 Skylark Gran Sport.

Safety is part of the tuned car's plan. And that plan is this: To make driving safer and more pleasant. For example, every tuned car comes with back-up lights (to make seeing where you're going easier, even when you're going where you've been). Seat belts front and rear are standard, too. And so are two-speed windshield wipers and washers, an outside rear-view mirror, a shatter-resistant inside mirror, padded dash and sun visors. None of them will do you much good, though, unless you use them. But then, the tuned car itself couldn't do much for you, until you own it. How soon will be seeing you? Tomorrow would be nice. **Wouldn't you really rather have a Buick?**

There's an authorized Buick dealer near you. See his Double-Checked used cars, too.

Halloween Carnival Promises Fun And Excitement For All

The annual Belle Glade P. T. A. Carnival sponsored jointly by Gove Elementary and Belle Glade Elementary, will be held October 30 at the high school football field. Lee Cranford, Chairman of Belle Glade Elementary and Bill Bailey, Chairman of Gove Elementary and the two P. T. A. Presidents, Mr. W. L. Cunningham, Jr., and Mr. John Kinlaw state that "all systems are A-O-K."

The parade will start at 5:30 p. m. Preschoolers age one through three and four through six, and both elementary school students are requested to assemble at 5:15 p. m. on the West end of the football field. Signs will be erected at the designated area. Judges will be on the grounds at 5:15 p. m. to make preliminary decisions so that time will be saved in making their final decision on the parade ground.

The booths of the Carnival will not open until after the parade is completed. The auction will begin at 8:00 p. m., with Jim Graham as the auctioneer for the items to be donated.

This promises to be a big event for young and old, beginning with the colorful parade and the Carnival midway with the bright lights and many booths creating an exciting atmosphere.

Games will include American Legion, Dart Game, Police Rifle Shoot, J. C. Fish Pond, Civilian Ring Toss, 4-H Boys, Pop Gun Shoot, Elks, Water Pistol Shoot and Mrs. Lloy Williams, Puppet Show.

There will be rides including Wagon Train and Pony rides.

The usual food booths will be operating: Business and Professional Women, Hot Dogs, C. E. Cribfield, Cotton Candy, Bruce Williams, French Fries, Fire Department, Snow Cones, Beta Sigma Phi, Sweet Shop, Lions Club, Burgers, Rotary Club, Burgers, Scout Troop 622 will serve coffee, Cokes, served by Boy Scout and Explorers Troop 601, Troop 621 and Explorer Troop 612.

Woman's Club

Pledges \$1000

At the meeting of the Woman's Club last Thursday, the club voted to make a contribution of \$1,000 towards furnishing for the new library which is to be built in the McDonald Municipal Park.

The club members approved the donation following a discussion on the need of the new library led by Mrs. J. A. Winchester chairman and Mrs. William Thibault, member of the Woman's Club Library Committee and Mrs. Joseph O'Senior of the Belle Glade Library Board.

The club also voted to have two benefits, the proceeds to go towards this general project, a games party on Nov. 4 at the Community Center and a dance for teenagers to be held in December.

Mrs. S. N. Knight, president, presided.

Hostesses were Mrs. L. Murray, Mrs. W. R. Hooker, Mrs. Thomas Bregger and Mrs. J. E. Fraser.

SUPT. R. FULTON

Supt. Fulton Will Speak Here Nov. 1

The Belle Glade Elementary School P. T. A. will meet Monday, November 1 at 8:00 P. M. The meeting will be held in the school auditorium.

Mr. Robert Fulton, Superintendent of Public Instruction of Palm Beach County will be the guest speaker. Mr. Fulton will speak on the forth coming millage election on November 2. All questions pertaining to the millage issue will be discussed in detail.

Mr. Fulton will also perform the capping of the school's Gray Ladies at this meeting. Receiving their caps will be Mrs. Othar Crawford, Mrs. Ethel Jones, Mrs. O. C. Prescott, Mrs. Mendal Luce and Mrs. Ray Roth.

Seven teams of 4 to 5 members each solicited house to house to sell \$1800 worth of light bulbs, according to audited report.

The Wedgworth team composed of Shorty Dras, Buddy Schoenfeld and T. E. Hollingsworth sold a total of \$390 worth to lead the sales.

The Lions Club realized \$350 to \$400 for the Blind Fund.

Bob Lee Speaks

To Chapter On Let's Match Wits

A Business Meeting and Cultural Program was held on Monday night, October 28, by Iota Epistola Chapter of Beta Sigma Phi. Miss Miss Bobbie Stephens was hostess at her home, with Miss Janet Ludlow as co-hostess.

Miss Stephens was also in charge of the program on "Let's Match Wits." She introduced Mr. Bob Lee, Personnel Director of the Glades Sugar House, who gave a very interesting and amusing talk on the subject.

A short business meeting was held following the program.

The Service Committee reported that the Chapter will give baskets consisting of a turkey and canned goods to a needy family at Thanksgiving and Christmas.

Plans were discussed for the Rummage Sale to be held December 4 in the parking lot of the Kwik Check on South West Avenue.

Everyone was reminded of the Blood Drive being held for Little Chuck Rimes. The County Blood Bank will be at the Civic Center today from 9:00 a. m. to 5:00 p. m. for those wishing to donate.

Refreshments were served after the meeting to the 13 members present.

Glades School Attendance 6,636

The Glades of Palm Beach County — west of Twenty-Mile-Bend has averaged 6,636 pupils attending the public schools daily this school year, according to the School Board.

The Belle Glade — South Bay — Lake Harbor area has averaged 1,842.

There are 2,519 pupils attending daily in the Jr.-Senior classes in the Glades.

The Board's formal statement is as follows:

"Average daily attendance in Palm Beach County's 87 public schools, for the first month of the current school year was 32,

P. T. A. member of Gove Elementary. Where our principals and teachers are concerned, there are no arguments or regrets; indeed, they are dedicated. We only need more.

I am giving a rebuttal in regards to the letter written by Carol Hummel in the Herald of October 21st. As I recall she stated the "panel" consisted of a City Commissioner and County Commissioner. Mr. Frank Anderson is not a City Commissioner, but a City Clerk.

Mr. Bud Weaver, our County Commissioner gave a very impressive talk on the State Road Bond issue. Maybe some of us should refer to our dictionaries more — this was not a CONTROVERSIAL issue. As he very clearly explained, we are all (Democrat, Republican, and Independent) in favor of four-lane and better roads. So, why should we bring in an argument, where there is none?

Quote: A cat chasing a mouse, or even following a mouse with its eyes, may be said to be attending to the mouse. Likewise a human being sniffing a rose is attending to a rose. In general, one is to attend whatever it is with which he is busy himself. Reference: Encyclopedia Britannica.

169, it is announced by Superintendent Robert W. Fulton.

"This is an increase of 1,572 compared with the first month's average daily attendance during the 1964-65 school year, and indicates that estimates that the school system's number of students in average daily attendance this year will probably reach 65,000, are expected to be close on target."

"School officials point out that on the basis of a maximum of 30 students to a classroom, 33 additional classrooms should be built

to accommodate every 1,000 additional students, and therefore some 33 more teachers, plus additional school administrative staffs and more clerks, maintenance personnel, custodians need to be hired."

"It should be noted that average daily attendance differs from "enrollment" which is an accumulative statistic whereby new students are constantly added to school rolls, while none are subtracted. Average daily attendance, on the other hand, is what it says — an average daily attendance in the schools."

Here are the reasons you should VOTE FOR 4 LANES

"The time is now. Florida faces an emergency; one which reaches into every corner of our great state and affects the lives and well-being of all of us. We must build — now — an adequate primary system."

— Haydon Burns, Governor

Here Are The Facts:

Q What is the Highway Improvement Amendment?

A Number 4 on the Nov. 2 ballot. It provides for a \$300 million bond issue to construct 1,241 miles of new, four-lane major route improvements. Roads were selected on the basis of traffic volume, safety hazards, condition of present facility, area economic consideration and other sufficiency rating factors prescribed by the Florida Highway Code.

Q Why is this an emergency program?

A Crowded two-lane roads are the major causes for mounting traffic accidents, injury and death. In addition, an immediate multi-laning program is essential to Florida tourism, industry and business. Because of steadily-soaring construction and right-of-way costs, we cannot afford to delay the program.

Q Why can't these highways be built under the present highway program?

A There are not and never will be sufficient funds available under the present financial setup. The State Road Department has approximately \$55 million remaining for primary highway construction each year after administrative, maintenance and matching funds expenses are deducted. A conservative estimate shows it would require \$1 billion to bring the primary system up to standards.

Q Will there be a regular primary highway program in addition to the Highway Improvement Program?

A Yes. If the Highway Improvement Amendment is approved, there still would be an estimated \$43 million in each of the next 20 years for construction of other critically-needed highways under the primary system.

Q Will these programs be accomplished with no increase in taxes?

A Fiscal experts in state government assure us Florida can meet its primary highway needs with no increase in taxes by approving the Highway Improvement Amendment.

Q Who is supporting the Highway Improvement Amendment?

A The Florida Legislature endorsed the plan overwhelmingly, by a vote of 35 to 8 in the Senate and 91 to 19 in the House. In addition, the program has the full support of Gov. Burns, 16 former State Road Board members and chairmen who served under five different governors, and the present State Road Board members. More than 100 leading newspapers, Chambers of Commerce, civic and safety organizations throughout Florida also have endorsed the program, as have a number of city and county governments.

Ex-Communist Agent Will Lecture In Lauderdale And Palm Beach

Karl Prussion, a communist agent in America for 14 years who then became an FBI counterespionage agent for the next 12 years, will deliver lectures in nine Florida cities during November, under the auspices of Christian Crusade, anti-communist organization of evangelist Billy James Hargis. Included in his itinerary are meetings scheduled in Ft. Lauderdale on Monday, November 15, at the Governor's Club Hotel in the Capitol Room; and in Palm Beach on Tuesday, November 16, at the George Washington Hotel in the Martha Washington Room.

Prussion joined the Communist Party while a student at Wayne State University in Detroit, in 1933. After completing many years' assignments as a secret Red agent, infiltrating American youth, and other organizations he became disillusioned with communism and finally volunteered his services to the Federal Bureau of Investigation as a counterespionage agent 14 years after joining the party.

He served successfully in this guise in the San Francisco area from 1947 until 1959. In 1960 he was one of the two friendly witnesses at the hearings of the House Un-American Activities Committee which aroused a storm of protest by pro-communist factions. Prussion finally led to the students riots against the HUAC hearings in the spring of 1960. It was this riot that led to the production of the film "Operation Abolition."

Prussion now devotes his time to exposing the influence of the Communist Party in America today, emphasizing especially its roles in economic, social, political and educational circles. In his lectures he demonstrates the relationship of the internal influence with the external pressure of international communism directed from the Soviet Union, and gives his firsthand experience to prove these charges.

Since he terminated his work with the FBI, Mr. Prussion has been in great demand as a speaker, lecturing to active groups, schools, universities and organizations over the country, explaining in detail how the communists are trained in all phases of sabotage, infiltration, subversion, psychopolitical warfare, etc.

In his 26 years of affiliation with the Communist Party in the United States, Mr. Prussion observed first hand how the communists brainwash defecting members into silence, how powerful this well-trained minority is, and how deeply into our political organizations they probe. He has never hesitated to express his educated opinion on why Americans become communists, and how they are used as dupes by the Russian-directed party leaders.

Prussion has a rude awakening in store for those who think the Red menace is on the wane. He states emphatically that communist influence in economic, political and social circles is stronger than ever today. With firsthand evidence he points up the increasing pressure applied by external communist powers on the subversive communist operators in this country.

The Ft. Lauderdale and Palm Beach meetings are open to the public and admission is by \$1 donation at the door.

Mayor Bill J. Bailey is offering the official greetings of the City, and as is customary making a donation at the ground breaking ceremonies of the New Bethel Baptist Church. Rev. M. M. Hamilton, Associate Minister of Mt. Zion AME Church was Master of Ceremonies, and Rev. J. B. Adams, St. John's Baptist Church brought the principal message of the day. A total collection, for the days exceeded \$1,300, according to the Pastor, Rev. O. D. Williams.

Prices Up On Stocker Cows

Prices leveled over at Monday's sale at Glades Livestock Market, according to Pete Clemens, manager. All prices were steady except stocker cows which were up 25 to 30 cents. This was partly because of good supply of good quality stocker cows were on hand.

The market had an offering of 604 head for a total of \$50,200, with 30 percent going to slaughter and 70 percent to stockers.

Slaughter: Steers 20, Heifers 3, Cows 169, Bulls 18, Calves 138.

Suncoast Conference News

Larry Bush, Publicist

Rain played havoc with the Suncoast Conference last weekend and shook up several of its members, especially those in the Eastern Division.

Lake Worth held Forest Hill inches short of the goal line in the final seconds Saturday night to earn a 13-7 victory. It was the third straight loss for the Falcons.

Highly regarded at the start of the season, Forest Hill was eliminated from the Eastern Division race with two conference losses, leaving the title up to Seacrest and Vero Beach, who met in a big game at Delray Beach November 12.

Seacrest escaped Fort Pierce Saturday with a tight 3-0 victory over aroused Dan McCarty. Mike Tittle's 28-yard field goal, his third of the season, with 4:19 to play, was the decisive margin.

Vero Beach scored two touchdowns in one night for the first time this season and won its fourth conference game 12-0 over Riviera Beach. Seacrest has three eastern victories.

Only one conference game will have a bearing on first place this week, and that is a Western Division match between Pahokee and Martin County High at Stuart.

FLORIDA

Assuming the same rate of consumption and the predicted U. S. population of 245 million in 1980, Florida will have to increase its vegetable production 36 percent in order to supply the same amount of vegetables per capita as now.

The Florida Fruit and Vegetable Association was incorporated in 1948 as a non-profit cooperative to act in the best interests of Florida producers, shippers, packers, and processors.

Vero Beach scored two touchdowns in one night for the first time this season and won its fourth conference game 12-0 over Riviera Beach. Seacrest has three eastern victories.

Only one conference game will have a bearing on first place this week, and that is a Western Division match between Pahokee and Martin County High at Stuart.

Pahokee, currently tied with Belle Glade for the lead in the West, can move a half game ahead with a victory. Both Glades rivals are 1-0 in western games.

Two Eastern Division games will be played Friday. Improving Dan McCarty visits slumping Palm Beach and Forest Hill will try to get back on the winning track at Riviera Beach.

Belle Glade visits Seacrest in an interdivision meeting of powerhouses.

Non-conference games are Vero Beach at Cocoa, Lake Worth at home against Ft. Lauderdale Northeast, Boca Raton hosting Moore Haven and Clewiston at Avon Park.

Jupiter and Okeechobee are idle.

In games played in the downpour last Friday night: Quarterback Tony La-tour scored both touchdowns as Belle Glade stunned Palm Beach 15-7, a victory insured by a safety with 77 seconds to play; Rich Scammell, Stuart quarterback, made a pair of TD's in an 18-0 victory at Boca Raton; Johnny Pelf passed 68 yards for one touchdown and ran 45 yards for another as Pahokee overcame a 12-0 halftime deficit for an 18-12 conquest of Naples; Clewiston made touchdowns in the first and last periods, the latter on Henry Bowden's 42-yard run, to shut out Jupiter 13-0, and Fort Lauderdale Nova overpowered Okeechobee 26-0 as Larry Siler scored twice in the fourth quarter.

The standings:

Eastern Division	W	L	T
Vero Beach	4	0	0
Seacrest	3	0	0
Lake Wagh	2	2	0
Palm Beach	2	2	0
Riviera Beach	1	3	0
Forest Hill	0	2	0
Dan McCarty	0	3	0

Promoting America's National Pastime of football, a builder of boys into men, physically, mentally and morally, is nation-wide in the Punt, Pass and Kick program of one of America's leading industrial firms — Ford Motor Co.

Some 60-odd boys from eight to thirteen years of age participated — eighteen are recognized as winners. Multiply this result by the many thousands of communities in these United States.

Next year thousands will be out trying to get in the win column, or higher up the win list in the next age group.

This is self-help, with recognition for those who excel; it's not the encouragement of shuffleness, indifference, socialistic practice of our complexity of bureaucratic government!

Charles Close, third place winner in the 13-year-old class, is in the hospital for an operation, and is reported to be "doing fine." He and his brother Steve have been on the winning side for four years.

The winners are: 8-year Olds: Charles Anderson, 1st; Jerry Vulgamore, 2nd; Paul Osenigo, 3rd.
9-Year-Olds: Russell Walker, 1st; Greg Klanjac, 2nd; and Charles Marquess, 3rd.

Outstanding Fungus Control !

Dyrene effectively combats early blight, late blight and Rhizoctonia ... Increases Celery Yields ... Upgrades Quality

Dyrene is so effective that significant increases in both crop quality and yields usually result from its use. In years of cooperative research and commercial use, Dyrene has proved its outstanding

control of important fungus diseases that attack celery. Growers from every major celery area of the country report substantial increases in yield over fields treated with conventional fungicides. Dyrene will not harm foliage ... does not affect flavor or odor when used as recommended. For finer celery and more of it, use Dyrene. It works! See your farm supply dealer.

Scouting Facts

The Boy Scouts of America is divided into 12 geographic regions.

Within these are the 534 local Scout councils.

These are divided into 2,900 districts—each with a full-time "district executive."

The district executives serve the 91,000 religious and community organizations that use the Scouting program.

These institutions sponsor 160,000 Cub Scout packs, Boy Scout troops, and Explorer posts.

In these Scout units there are 4,122,000 boys 8 to 18. To serve in many capacities as leaders and committeemen, there are 1,462,000 adult volunteers.

The adult volunteers are assisted by 3,800 full-time professional Scouters.

Costume Party Given By MYF

The Lake Harbor Youth Methodist Fellowship had as its project recently getting subscriptions for the Belle Glade Herald. The M. Y. F. divided into two teams with Margaret Bailey and Gail Royal as Captain.

Margaret's team won and Gail's team entertained them with a party.

They came in masquerade dress, and some were weird looking creatures.

Smathers Urges—

US Cuban Refugee Center

Senator George A. Smathers today urged establishment of one or more Cuban refugee receiving centers on federal property in Florida, where refugees can be housed, thoroughly examined and screened until ready for relocation to other parts of the United States.

"Cuban refugees could be airlifted directly to such receiving centers, thus affording them sanctuary with a maximum of protection as well as minimizing the impact such an exodus

may have on South Florida," Smathers said.

The Florida Senator said a continuation of the Dunkirk-style fleet of small boats struggling across the dangerous Florida straits cannot be allowed.

While the U. S. broke off air connections with Cuba on October 22, 1962, Smathers said the most effective way to bring in any new refugee group under American supervision would be by temporary air shuttle limited to that purpose.

"The people of South Florida should not be overrun by a new influx of Cuban," Smathers said, "but I would caution them and all Americans not to react in panic to a situation that is still murky."

"I have been assured that

this problem will be handled as a national one, with emphasis on swift relocation, using the machinery already tested by this government."

"While an exchange of notes is going on between the U. S. and Cuba, through the Swiss Embassy, I think that efforts should be launched to establish several receiving centers here."

The Florida Senator said he expected the appropriate U. S. agencies to shortly spell out the ground rules under which Cuban refugees are to be admitted.

"We are going to stand up to the Cuban," he added, "but we are all Americans not to react in panic to a situation that is still murky."

"I have been assured that

Halloween Treats

Food plays a big part in the enjoyment of Halloween, say nutritionists with the Florida Agricultural Extension Service.

To make Halloween "pumpkins" decorate oranges with cloves and cut gumdrops, held in place with a little sugar and water mixture. Make the "pumpkin" stem by scooping out a small section of the stem end of the orange and inserting a strip of dark green celery stalk.

Serve apple cider with pumpkin cookies or cake. Candied apples, shiny and red, are amusing to make and decorate. Fashion faces on them with candy fruit drops, raisins, coconut, marshmallows, and white mints.

Bobcats Bury Lions

Bobcat Round-Up

The Bobcats of Lake Shore ripped the Lions of Murray High of Stuart with a score of 48-0 Friday night Oct. 15, 1965. The Bobcats and the Stuart Lions held the lines against each other until the second quarter.

The action began in the second quarter when Joe Sheeley of the mighty Bobcats made the first touchdown of the evening.

The Bobcats scored were Joe Sheeley, Charles Haynes, James Freeman. Extra points were made by James Freeman, Joe Sheeley, Ronald Cook, and Daniel Parrish.

James Freeman ran (3) three touchdowns in the game, Joe Sheeley (2) two, and Charles Haynes (1) one. Johnny Brown, a player on the Defensive team, made one safety. The Bobcats gained 279 yards in rushing yardage, and 518 yards in passing yardage. Charles Haynes threw a touchdown pass to Ronald Cook.

Kidnap Freeman, a Freshman Quarterback and a member of the Junior Team was very outstanding and excellent in his showing on Friday night.

This gives the mighty Bobcats a record of 5-0 for the season.

I told you not to let your business become my property. See if you can recognize your initials as well as that of your buddy's.

J. E. E., is it true that you "Need to Belong to Someone?"

M. L. H., why are you thinking that you are a "Lonely Stranger?" I'm sure J. W. knows nothing of this. L. M., I think that J. S. is ready to answer your cry for "Help."

E. M. J., I heard you told C. M. that "Love Makes You Do Foolish Things."

B. S., why do you demand so much "Respect?" Could it be that you've been with M. C.?

L. J. W., I hear that "Sympathy" is your main word.

M. H., the word has gotten around that R. W. has said that he'll "Make You His Baby."

C. C., you're still making it with R. M., so why the "Sad Girl" look?

D. P., why is M. A. I. saying, "I Want to be Loved?"

R. H., didn't I hear you say that you've been loving J. W. too long?

M. E. F., I heard about you doing that new dance called the "Junior Get-Together" at the party you gave the other night. I know that W. H. was surprised when he saw the "Junior-Senior Get-Together."

D. W., why did you leave the party so soon? Did you get tired of asking the boys to dance, or because M. W. said that J. E. was private property?

T. M., did you ever kill that bug that was biting M. F. Edwards' neck?

Remember, keep your business off the sidewalk so that a won't be swept in the paper. Ha! Ha!

Maggie's Column

Dear Maggie,

When ever I get a date with a nice girl, I find that I don't have any money. Please tell me what to do.

Helpless

Dear Helpless,

I suggest that you get a job after school if you are interested in dating, budget your money well and select special occasions for dating. If you try the above suggestions, I'm sure you won't be caught in this embarrassing situation.

Maggie

Dear Maggie,

I have a problem with making friends. It seems to me that when I go to a party or any other social affair, I don't belong there. No one talks to me or seems to know I am there.

Want to make friends?

Dear Maggie,

How can anyone possibly know you are there with that, "I don't belong" attitude of yours. Come alive! Don't stand back and wait for someone to approach you and start a conversation, walk around and start your own conversations. I'm sure when all this you'll feel better and will forget that "I don't belong" feeling.

Seniors Take Test

On Tuesday, October 19, 1965, the Senior State-Wide Twelfth Grade Test was administered to all seniors in the gymnasium. This test is required of all 12th graders in the state of Florida. The test will enable one to compare himself with seniors from other schools in the county and state.

This test is designed to determine whether a high school senior will be able to attend the state college of his choice.

The student who makes 300 or more will be able to make such a selection. The 12th grade test is made up of Mathematics, Science,

English, Non-Verbal Reasoning, and Social Studies. The results of one's test will have great influence on his future education—all plans and ambitions.

The Florida State-Wide Test has been sponsored annually by the University of Florida since 1935 until 1962, it had been administered in the Spring and Fall of each year.

The following teachers served as time proctors: Mrs. Mary T. Harden, Mr. Charles Collier, Mr. Rufus Washington, Mr. Lonnie Cain.

The results of this test are to be returned around December 1, 1965.

P. B. C. Cheerleaders Meet

On Saturday, October 9, 1965, the captain of Lake Shore High Cheerleaders, Evelyn West, attended a meeting in West Palm Beach, Florida, at Palm Beach High School.

The purpose of this meeting was to take pictures and obtain information for an article on the Cheerleaders of Palm Beach County which will be in the October 31 edition of the Palm Beach Post Times.

Other schools represented at this meeting were as follows:

Palm Beach High
Lake Worth High
Forest Hill High

Cardinal Newman
Pahokee High
East Lake High
John F. Kennedy High
Boca Raton High
Belle Glade High
Riviera Beach High
Seacrest High

As stated by the captain, it was a very interesting and enjoyable meeting. To make the meeting interesting, the Cheerleaders discussed previous games between their school and other schools.

The most enjoyable session of the meeting was when the Cheerleaders from each school exchanged some of their ideas.

Book Of The Week

Take Me To My Friend.
Hope D. Jordan.

This thrilling novel records the courage and fear of a young girl and her grandmother. The adventure starts in South Florida where Julie is spending her winter vacation. Because of a family crisis, her mother has to return home and Julie is left with the mammoth problem of caring for an ill grandmother and driving the car home. She has taken a course in DRIVER EDUCATION, but does not like to drive.

After she has driven for several miles, her grandmother suggests that they pick up a north-bound college student in order to help with the driving.

Julie, exhausted and a bit hesitant about the idea, decides to take a chance. She picks up two passengers carrying a sign that reads "Take Me To My Friend." The series of events that follow are breathtaking and terrifying. This electrifying novel is guaranteed to hold interest of its readers.

COACHES: Emory Bowers, Harry Davis, Bill Burke, Othar Crawford, Dale Hilburn. Coaches, aside from teaching the fundamentals of football, are proud to see their charges demonstrate the effectiveness of physical training and condition. Coordination with the technical know-how makes physical condition the difference between a mediocre and a good team.

High level coaching, was demonstrated in the physical fitness of the Rams Friday night. Hard tackling, proper blocking, and the "eye on the ball" by the defensive team paved the way for the offense to "go go" at the opportune time.

Team Efforts Bring Victory For Rams

The game between the Golden Rams of Belle Glade and the Wildcats of Palm Beach was a great team effort on the part of the Rams. The defensive team gave the offense the opportunity to perform and they did take advantage of it by scoring 13 points, while the defense scored 2 points on a safety after a 60 yard punt by Pat Gilbert. The Wildcats could not get their offense moving, one main reason for this was the defensive play of the whole Belle Glade team. By the way the score was 15 to 7 in favor of the Rams.

The entire coaching staff of Belle Glade agree that this was one of the best team efforts that they have seen this year including all leagues. The defensive team in the last four games have kept the opponents under 20 yards rushing per game. This speaks for itself. The defensive backs have intercepted 15 passes this year, which speaks highly for young men playing these positions.

In other, we have at Belle Glade have the best defense and offensive team in the state, because the work as a team, not individual. The offense has scored 127 points to the opponents 20. The Rams had two of the best sustained drives this year against Palm Beach. This was against a Class AA school. The coaches made the statement that the line men were taking pride in their blocking and the backs are picking their holes and running hard which goes back to team effort.

Ed Lively Shows Lions Club How To Make Money

Ed Lively, president of Florida National Bank in Belle Glade presented the program at the regular luncheon meeting of the Belle Glade Lions Club Wednesday at the Community Center.

Mr. Lively gave an interesting and informative talk and showed "How To Make Money." He said the way the silver situation now is and the way it is going there won't be any left. Speaking of the new money Mr. Lively stated it would be out in January and some may be out in time for Christmas shopping. He also told how it was made and of what it consisted.

Along with his talk Mr. Lively showed a movie of the mint in Philadelphia, describing the paper money and the costs and what percentage of silver was in each. It used to be 90 percent but in new money it is 100 percent.

Club president, Richard Hodges, presided.

Kenneth Moring (R) receives a share of Coca-Cola stock from L. M. McGee, Glades manager for the Coca-Cola Bottling Co. Mr. Moring earned the privilege of drawing for this share of stock because of the increase in sales in the Crews Supermarket in Pahokee, of which he is manager.

Steve Close Wins Zone P & K

With five years in the "win" column of the P & K Contest, Steve Close tops in the Zone list for competition Saturday for the Jacksonville District competition, but is prevented from going because of a foot injury received in an intramural football contest.

Steve's twin brother, Charles, has just returned from an operation at the Glades General Hospital. It will be in classes Monday. The disappointment to Steve is shared by many Glades fans for it is believed that the Close twins have outstanding potential as footballers.
